Step 1 - Set a budget

- determine the reasonable amount to spend and who will pay
- picture the perfect baby shower in your mind
- 8-10 weeks in advance

Step 2 - Create a Guest List

- choose between women only or women and men
- think of an estimated number of people to invite

Step 3 - Choose location, date, and time

- type of location: indoor or outdoor? and where?
- choose three options for the date (common practice: 4-6 weeks before the baby's due date)
- set the starting and ending time (it normally lasts 2-4 hours)

Step 4 - Baby Shower Decoration

- choose a theme (tips: it could be related to the baby's nursery decoration, something that parents-to-be love, a popular theme, or general topic)

Step 5 - Invitations

- send them out 4-6 weeks in advance
- try to match them with the theme
- include the baby shower's date, time, theme, baby registry, and your contact information for guests to RSVP

Step 6 - Food and Drinks

- decide what type of food would be more appropriate based on the information from the previous steps.

Step 7 - Create lasting memories

- plan to have a photographer and/or videographer (options: hire a professional or ask a friend(s) to help.)
